Southwinds Needs Your Support

Southwinds has a long, rich history as a nonprofit provider of community living and support services for adults with intellectual and developmental disabilities throughout Allegheny County. But the nuts and bolts of Southwinds, the core support needed to run the day-to-day operations, are in critical need. Part of our strategic plan is to be a “forever home” for the individuals we serve. Adapting to an ever-changing environment where Southwinds’ residents are living longer and requiring more specialized care and housing, is why your help is needed to help us remain true to our mission and effective in our delivery of services.

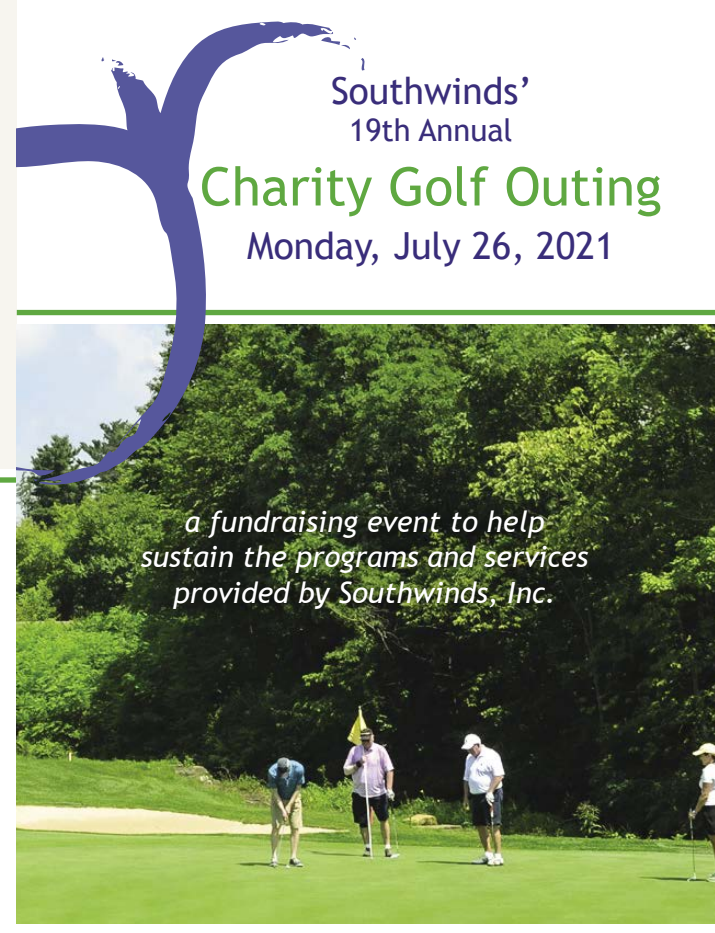

Thank you for being a part of 38 years of support, kindness, and generosity. Please consider joining us for this annual event that offers an enjoyable day with friends, family, or colleagues and the opportunity to have a profound impact on the lives of the 38 individuals who receive support from Southwinds. Remember that family is forever, friends are a lifeline, and a house is a place to call home!
